## SKILLS

---

**Languages:** C++, JavaScript, C  
**Frameworks:** HTML and CSS, NodeJS  
**Tools/Platforms:** Selenium IDE, Postman, Eclipse  
**Soft Skills:** Time Management, Team Player, Project Management, Adaptability

## Projects

---

**Online Voting System:** February 2023 – April 2023

- Developed a secure and efficient Online Voting System to facilitate electronic voting.
- Implemented voter authentication, vote casting, and result tracking to ensure a reliable voting process.
- Utilized secure web technologies to protect user data and maintain voting integrity.
- Designed an intuitive interface for seamless navigation and user-friendly interaction.
- Enhanced system efficiency by integrating real-time vote counting and result generation.

**Tech:** C
